

School Talk for Local Secondary Schools

(Please fill in and return this form to the Admissions Office, City University of Hong Kong.)

The Admissions Office welcomes the opportunity to hold admissions talks for school candidates. If you are a school administrator or careers master, you may complete this form to request an admissions talk to be conducted at your school.

Participating students must be at least in their Form / Secondary Six studies. To ensure enough time for processing, your request should reach us at least one month before the date of the school talk. Our staff will contact you within one week to work out the details.
